Do You Understand That **INNATE INTELLIGENCE** is??

“God breathed into man the breath of life—we add—and left within, a body manager to regulate body functions including reproduction of cells. There is a power within you—you recognize it in others as the ability to move-see-hear-speak-breathe. What is the power? Who can answer? We call that power **INNATE INTELLIGENCE**. You look around you and recognize there is a power that governs and controls the universe and all things in it. You may call it **NATURE** or you may say it is **AN ACT OF GOD**. But whatever you choose to call it, you do recognize that it is a **FORCE**.

“Within **YOU** is a ‘grain’ of the universal power. If there were not, you would cease to move, see, hear, breathe, feel—exist as a **HUMAN INTELLIGENT BEING**. As long as that power within you has control of your body a state of **HEALTH** exists. Should something interfere with normal control of that internal power—then you cease to enjoy your birthright—**HEALTH**—instead a state of dis-ease becomes prominent.

“Healing is a process afforded you by your Creator and is above and beyond the control of man. Your Chiropractor does everything possible to help Innate heal—but he cannot heal nor can anyone else produce healing for you. When the right adjustment is made, Innate goes to work. You feel the results when dis-ease turns to ease.” --BJ Palmer DC
